Dear all, thank you for your participation in the seminar at Lysebu last week – well worked!

Attached is some information regarding the ERC, and a 2-pager that I expect you to fill out to be presented in Brussel.

Also, I would like you to bring (and e-mail me by October 1<sup>st</sup>) an overview of your vision/Aim – overall goals/sub-goals – action plan towards reaching these goals until July 2020 + milestones for further actions the next 3-5 years.

Also – let me know by the same date where, visiting whom, doing what – and when you will go for mobility. Please also provide invitation letter.

Please register information in the net form below by Wednesday 4<sup>th</sup> of September 12:00 – need this in order to try to get us into the parliament and for Siv to book flights and accommodations.
