

My research talent travel

Heidi Holmen

THIS WAY

THE OTHER WAY

THAT WAY

Accomplishments the last year – needs

1. More supervision
2. More publications
3. Project management
4. Network

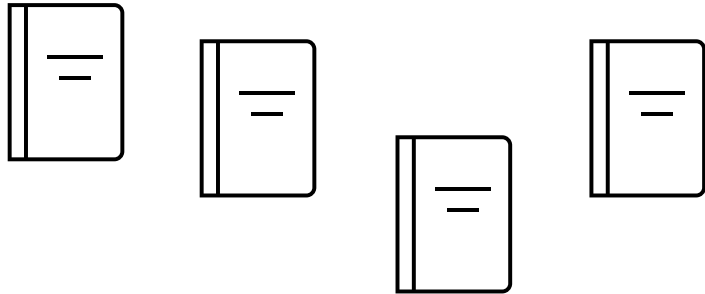

1. More supervision

- Say yes to peer review – in total 14 papers
- Say yes to external master students – 1 graduated
- Say yes to collaborative grant applications – 3 submitted
- Say yes to public defense work - Once chair and once second opponent

2. More publications

- 9 new papers in progress with old and new collaborations
- 4 new published papers

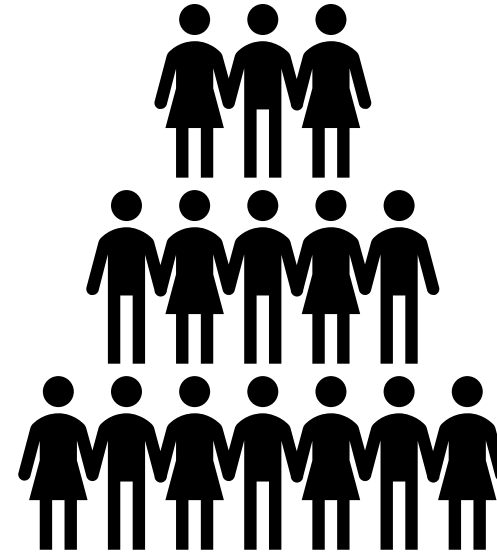

3. Project management

- Young research talents FRIPRO submitted May 2020 was granted funding, PI from August 2021
- Post doc. position offered, PI from October 2020
- Leader of the Letten committee assessing applicants for the 2 MNOK Letten award

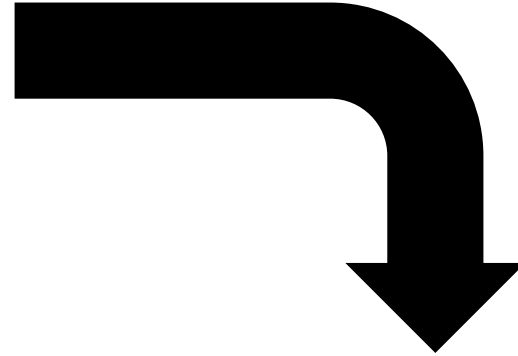

4. Network

- Peer review
- External students
- Collaborative grants
- Defense work
- Publications
- Projects

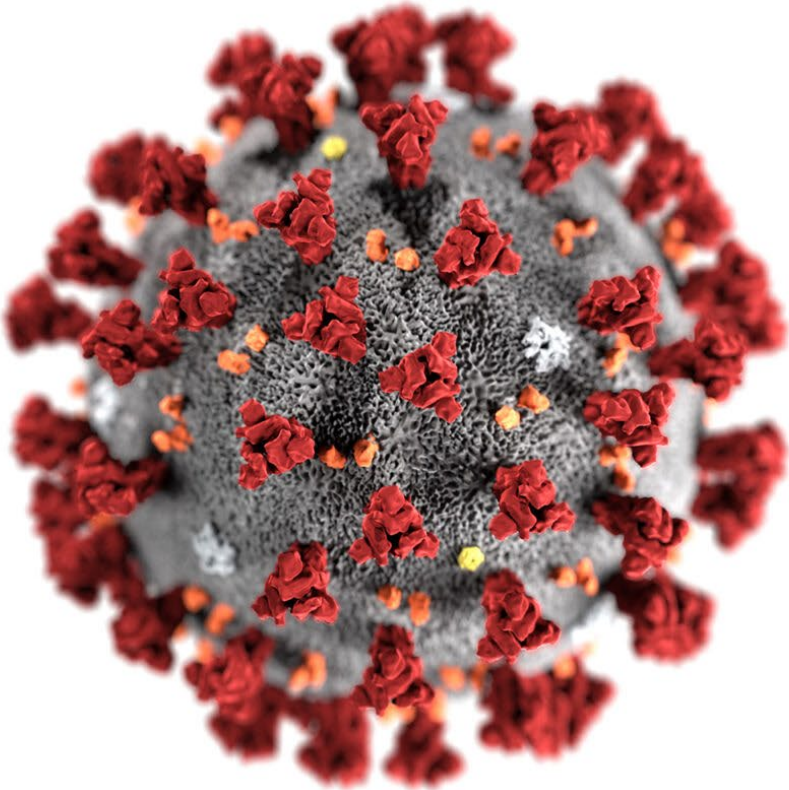

The changing nature of a roadmap

A	B	C
Road map Research Development		
Aim/Vision:		
Become a leading scholar on the meaning/ importance of health technology in the management of chronic conditions (?)		
Sub-Goals	When 2020-2021	What
1	ASAP	Supervise PhD students and masters
2	Submit by June-21	Publish on health technology in Norwegian
3	Submit by June-21	Publish on qualitative data/ methods to broaden my knowledge
4	2020-2021	Investigate the concept of health technology from a nursing view - publish these investigations?
5	2020-2021	Investigate the meaning of health technology for all users relevant for chronic conditions?

Road map Research Development - Heidi		
Aim/Vision:		
Become a leading expert on the impact of digital health in chronic conditions in a lifespan.		
Sub-Goals	When 2020-2021	What
1	ASAP	2 candidates from aug-21. Supervise PhD students and masters.
2	March 2021	Attend the PhD supervisor course June
3	2021-2025	Project leader experience. 1) Digital outpatient clinics, 2) CHIP homeTEC, 3) Letten
4	continuously	Build a track record
5	Network	Through grant applications, post.doc, PhD committee

Thank you!
