# The goals I should have had (for the year at the programme)

---

- Broaden my network – take a step out of my hallway in P52
- Participate in writing research proposals
- Publish!
- Supervise more PhD-students

# The next 10 years

---

## **1 year:**

- Keep up the production
- Broaden my network

## **3 years:**

- Apply for professorship
- Write my own research proposal, where I am the PI

## **5 years:**

- Run my own research project

## **10 years:**

- Be (and be brave enough to call myself) an expert within ??? .
